ranging from traditional nineteenth century ideologies such as liberalism conservatism and socialism to so called new ideologies such as feminism

and green ideology the author offers a clear exposition of both the historical development of each ideology and the impact they have had on contemporary political movements parties and governments their distinctive ideas and values are highlighted together with the competing and sometimes conflicting traditions which each have generated

remembering the english civil wars is the first collection of essays to explore how the bloody struggle which took place between the supporters of king and parliament during the 1640s was viewed in retrospect the english civil wars were perhaps the most calamitous series of conflicts in the country s recorded history over the past twenty years there has been a surge of interest in the way that the civil wars were remembered by the men women and children who were unfortunate enough to live through them the essays brought together in this book not only provide a clear and accessible introduction to this fast developing field of study but also bring together the voices of a diverse group of scholars who are working at its cutting edge through the investigation of a broad but closely interrelated range of topics including elite popular urban and local memories of the wars as well as the relationships between civil war memory and ceremony material culture and concepts of space and place the essays contained in this volume demonstrate with exceptional vividness and clarity how the people of england and wales continued to be haunted by the ghosts of the mid century conflict throughout the decades which followed the book will be essential reading for all students of the english civil wars stuart britain and the history of memory

with the successful introduction in 2010 of the czech yearbook of international law professor alexander j bělohlávek and professor naděžda rozehnalová the editors present the 2011 volume of this ambitious project the second volume focuses on the admittedly controversial topics relating to a shift from the investors viewpoints on investment protection to the contrasting viewpoints of the host states which are facing growing numbers of alleged claims by investors volume ii has set as its objective to plot the shift in the paradigm towards a new balance between investors and host states in the investment protection system such a shift can be observed in the rising number of counterclaims brought by host states against investors by the introduction of new standards for evaluation of investments in light of the good faith of the investor at the time of an investment and by the choice of an absolute means of protection of a host state s interest against investor claims by termination of an existing investment treaty these topics represent pieces of the whole mosaic of this problem to which the second volume of the czech yearbook of international law is

dedicated to a wide professional audience the czech yearbook of international law cyl is a collective effort by the following persons and institutions
